Content License to You:

As a Subscriber of the Services, Tumblr grants you a worldwide, revocable, non-exclusive, non-sublicensable, and non-transferable license to download, store, view, display, perform, redistribute, and create derivative works of Content solely in connection with your use of, and in strict accordance with the functionality and restrictions of, the Services (including, without limitation, Paid Services, as defined below). This means, for example, that we license Content to you for purposes of reblogging.
